

# Urban Sustainability Walk in Perth

Transition Town Mount Hawthorn is a group of inspired locals committed to creating a stronger, more connected and sustainable community.

Chicken runs, veggie patches, worm farms, compost systems and native gardens will all be on show in *Transition Town Mount Hawthorn's* first ever Urban Sustainability Walk.

Come along on a walk around some of Mt Hawthorn's back (and front) yards on Saturday 7 May, starting at 4pm from Castellorizian House, 160 Anzac Road, Mount Hawthorn, Perth, and finishing back at the starting point at around 5.30pm.

Stay afterwards for a Community Connect Dinner (a no waste event) where you will meet more like-minded locals and share a "pot luck" dinner with new friends. After dinner, stay and watch a short movie about the world wide movement of Transitions Towns.

## WHEN

May 07, at 4:00pm - 5:30pm
