Balbriggan/Swords Ops: BalSwoOpArea@fingal.ie

Go Green

This Halloween

Decorations

Make your own or reuse spooky decorations instead of buying

Costumes

Buy second-hand, reuse old outfits, or make your own ghoulish costumes! Use face paints rather than buying plastic masks

Treats

Buy locally produced foods, sweets and devil treats. Consider minimal packaging or recycled materials

Pumpkins

Buy pumpkins from local farms or grow your own. Use everything from toasting seeds to pumpkin soup and a ghostly pasta bake

Transportation

Trick or Treat by walking around your locality instead of the dreaded drive

Compost

Consider composting all your creepy organic matter and recycling other items.

Recycle

Your leftover ghastly food, cans, plastic and glass bottles can be recycled. Add them all to your recycling bin.

Halloween Hazards

**The Lighting Of Bonfires Is Prohibited
Don't Allow A Bonfire On Your Local Open Space**

Tips On How To Stay Safe:

-  Never use a bonfire as an opportunity to dump your waste as most household goods can cause poisonous pollutants.
-  Never light a bonfire near residential or commercial areas & keep away from the cables and pylons.
-  Bonfires destroy parks, playing pitches trees and flowers. A bonfire should never contain:
Tyres • Aerosols • Foam Filled Furniture
Batteries • Bottles • Tins of Paint
-  Keep your pets indoors out of harms way as this can be frightening & daunting for them.
-  Motorists should be extra vigilant on Halloween for children crossing roads & moving between parked cars.
-  In case of an emergency dial 999 or 112 for the Fire Brigade immediately.

This **Halloween** let's keep everyone **Safer** as well as Spooooky
