

Thursday, November 28th, 2024

Location: Riasc Centre

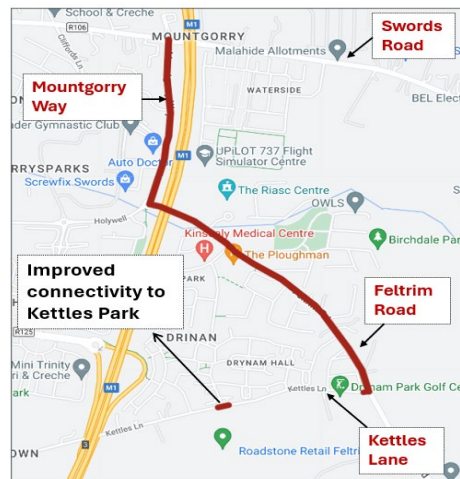

Drop-in anytime between 3pm-8pm

Presentations will be given at 3, 5 & 7pm. Round table discussions shall follow each presentation.

## Feltrim Road Active Travel Scheme

Stage 1 - Understanding the area

Have your say!

Fingal County Council want to deliver an **Active Travel Project** for the Mountgorry Way and Feltrim Road area. This project will provide improvements to support and encourage members of the public to use active travel modes such as **walking, cycling, and scooting** for short distance journeys and will improve access to public transport for longer journeys. This **first stage** of the project is inviting you to help identify key opportunities, challenges and goals related to walking, wheeling or cycling through the area.

Developing the project in close **collaboration** with the local community and surrounding areas is essential. In this first stage, the project team aims to identify the opportunities and challenges for active movement, social interaction and destinations along the route and throughout the area.

Another objective of the project team is to pinpoint the areas of the scheme where placemaking and public realm opportunities can be integrated into the active travel solutions to further enhance the overall experience and opportunities created by active travel infrastructure.

We invite you to participate in this event, which shall be held at the **Riasc Centre between 3pm and 8pm on Thursday the 28th of November**. This will allow you an opportunity to share your thoughts and give your input to the project through a variety of interactive activities. You will also be able to learn more about the project and ask any questions that you may have. We welcome participants of all ages and abilities.

Information in relation to the Riasc Centre, such as directions, nearby public transport facilities, parking, accessibility, etc., can be found at their website <http://www.theriascentre.com/>

If you have any specific requirements, such as mobility / accessibility, hearing, sight, etc., that need to be catered for on the day of the event, please inform the project team by emailing [info@csea.ie](mailto:info@csea.ie)

You can find out more information and have your say on the project website! <https://www.fingal.ie/activetravel/Feltrim> (Alternatively, scan the QR Code to access project website).
