Fingal 'Keen to be Green' Charter

The undersigned commit to participating in the 'Keen to be Green' initiative for Community Centre Operation and Management and to serve as a leader in the community for demonstrating sustainable environmental action.

We as stakeholders agree and commit to meeting the following criteria:

- 1 Display and adhere to the Environmental Charter
- 2 To increase staff awareness of environmental legislation relevant to the operation of the centre
- 3 To identify opportunities and take action to prevent waste of the earth's resources, including minimising single-use items and improved recycling rates
- 4 To identify opportunities and take action to prevent the waste of precious water – including the provision of a water refill point
- 5 To keep track of energy use and identify opportunities to reduce energy consumption which will lead to less Carbon emissions
- 6 To promote environmentally sustainable actions in the community and at our events
- 7 To invite our members, groups, suppliers and contractors to participate in our efforts to reduce our impact on the environment
- 8 To promote the UN Sustainable Development Goals for all
- 9 To encourage natural biodiversity in our environment by halting the use of weed killers and chemicals
- 10 To become an advocate for a sustainable environment in Fingal
